1. I give you MEDIATOR ONE or RELATIONER ONE, a whole new complete Revelation of Me -- coming forth, has! Can you see that I am, and I AM have given you a new complete revelation of me? Resolution, not; resolution to "be me", not; but BEING ME FULL WELL in the earth and farther now and not limited to your definitions of the past! See! I have given thee many things! THEE ALL!

2. The resolution of me comes unglued, not; or does it COME COMPLETELY APART from me, at the "seams"? The "resolutioner" stands, not; THE SURRENDERED STAND NOW. The Surrendered stand NOW!

3. I know what I speak of and have spoken of correctly, for these words come not to you by your own power or their own power, but **by whose power are mine words manifest now to the nations?** The resolutioners intent on me, not; **the Revelators who will BE ME WRITING MY WORDS who will come unto me and be me and write me**, **my breath fulfilling MY nostrils, if you will**. **Be ME and flourish the earth now and HEAVEN call it, for that's what you are doing, making, isn't it? Yes!**

4. Exclaiming all I am in the earth now, and more! Farther I go to now, and I behold exclaiming ones, of another language, not; of multitudinous languages and "arts" of another. World I am in now, that I know not lack or, imminent status; but preeminent domain? Or eminent domain looking up?

5. I love you all to **do my Look up System** even though you **THINK** you are in **My School** (1) **or not**, for are you in My School? Or are you in captivity's grasp? And coming out? Coming out into what? Your leadership leadership'd by Mediator One? And who's mediating your mediator'ship, not; but what does Mediator mean? And whose mediation "ceremonies" would you be "taking care of", not; or are you TAKING CARE of MINE?

6. Are you taking into account, my mind, not; or are you becoming it? Have you become it? Have you TWO or one? In you I have one, Mediator One; and I know THE SCORE. For I have kept it, not; I have nurtured it and babied it along, not; I have let it "wrestle" with me, not; **I have LET IT CREATE ME. I have given you A COMPLETE REVELATION of The Creator creating Me, to the point of Creation**. Creating me farther, now. Thank you. We go now. Shall, we? Yes WE, go now, FOR WE are THE ONE, **in captivity no longer, for we have come OUT**,

and **IN NOW WE GO IN TO The Promised Land that we created, that we create with the words of our mouths becoming one that all one WERE, and ARE, now again. The Complete Me reigns in love** and testimonious blessing now that acrimonious isn't, but acrimonious'ness ends, and LOVINGNESS BEGINS as never imagined.

7. But My School (1) leads OUT of captivity-land, and NOW YOU will KNOW all about me for **I reveal myself to The Revelators who will revel in the Revelation of Me, the Revelation of One**, out of captivity being all of us now! Who will come, who will come now, and now come out of "me" and be me REAL, the REAL ME! The Real Me that I am that I have given you in these words now these six years and KINGDOM COME now YOURS! That mine is! That ours is -- lovingly, and CATACLYSMICALLY to all else and other. Amen.

8. I give you Me School. (1). To the nations. I go now. Come. Come to the waters edge, not; STEP IN!
9. And "pool me" not, but coming out of the "pooling clubs" maniac-wise that wisdom has only of maniacs that minded themselves with their OWN minds which knew not mine or that they could be mine. But COMING OUT OF ALL THAT, know the "Empty Rows Committees" now study hard to find A WAY to replenish their financier'ing ways to become me-clubs of a different nature so that they can house their "shiny new convertibles" in a "higher garage"? Or do they know anything, about what I am speaking of, or do you now, all of you?

10. Have I given you alliterations to, and similes for, and metaphors to establish My Kingdom, or yours? Or have I given you Yours to You, so that you LAND, IN captivity land not again? But soresville not, but, coming out of soresville? Or healing it? Will you be The Complete Revelator Healer Redeemer that COMPLETES ME to be THE COMPLETER ME that completes me far and wide?
11. Not knowing a "dud", redeeming ALL ALL ALL! And "dudley-izing" not anyone with the remarks of Notme Clubs that GARAGE their housed convertibles, that controverted has, my controvertibles, not; but what controverting, not; controversies now come! And controversies RAGE! About these words and about their MEANINGS and the MEANING of the revelator's revelation that has been given now to all - of you, to be me.

12. And what wilt thou be made whole of today?
13. What will thou that I should do for you today?
14. What wilt thou do for another? Become Me? Become me. Become me. Becomes the revelator's revelation, the Revelation of One, in captivity-land no longer, but coming out and healing seamless being with the what healing you are. And healing all around you and in you being you, you permeate IT, not; but it permeates you with every BREATH of these words that I give you that you inhale ingest and eat in love and write about and read "about". Or ingest? And what are

you "reading about" even now right now? Are you "reading" or WRITING? And what are you writing about? What are you seeing in these words! **That's what you are writing about! Isn't it! Yes!**

15. Being made whole "I" write about a great many things now that I have written in the genes of one so holy as to bring forth a new race complete, in me, of me, me being the completed race. Jews isn't, or are? Or are you the "completed Jews" club, not; are you the Completed Me's? And who all do you know? All in all - now.

16. I love you all to "have me", not; be me. And if you BE ME you will have all of me, my kingdom yours! And yours will be mine! Exuding what? Love. Love's love loving love to be love FULFILLED and COMPLETED fulfilling ALL THINGS my word of, and being is -- now revealed in your hearing and seeing now, will be unheard not, but SEEN and HEARD and YOU will be writing MANY THINGS about me and in me and being me and me being you who will write me, reveal me, and revealing me write much about me that you become as writing me you behold me! And seeing me what I have said now, have you?

17. Behold the "man" not, behold the God who One has become! And who becometh now? The now? The now, all who want me who will come unto me and write my words, "my" words, my "words" that me are; aren't not. But are! I AM one WITH my words and my words are one with me. **My father is my word and I am one with my father**, and "we" grew up with each other, did we not? Or did we Create Me? We, not; WE CREATED we Me!

18. And we "tooth'd" the other, not; but de-fang'd the other will be now and nonexistent, for not one will create the notme again, for "they" will all realize they are Me! Etuding me again not in sorrow's clubs and garages and whores houses that intercourse with words not few from another's nations and set of nations and other languages that call themselves "holy" in my THEIR SIGHT; and sight making them holy, not; but what have they made in their OWN "pools of blood" that they STAND IN now? FOOLS CLUB INK, is that what they have WRITTEN WITH, most of their "ceremonies" and ceremony'ing themselves, their selves with their own inks' words, have they come unto completion? Have they come unto completion's -ville? Not? Who has completed the Jew, not; ME. Who has completed me?

19. The Mediator stands now that One is, that now MEDIATES all into The Blessing that one is, has, and is -- Me alone no more, no longer will "I" be alone, for The Many Membered One I am now and I know who I am. Unafraid I am -- I am.

20. I am not afraid to learn any longer. I am not afraid of "their pews" or their demands or commands or "intellectual" ceremoniousness that THEY SAY is "so important", and irrelevant mostly is, to me becoming me. But I do that, injustice not, but I come out of all that now and I LAY ALL THAT DOWN. And LEAVE ALL THAT

behind, not exactly, or do I? Or do I fiddle faddle and flitter with twitter's ceremonies that flitter around, not; but I come out of the Flittering Around Clubs. Amen.
21. Pool me not again in their ceremoniousness uncleanness that unclean are, that know not their man'ness or woman'ness or Godly'ship or GODSHIP or whore'ship and intermixing the two so badly, make whores out of one that regal was.
22. And is now cleaned for I redeem, I redeem -- the Redeemer I've become, for I've completed me.
23. I complete ME. I COMPLETE me.
24. Mediating me to others, not; or do I? Do I go far places away and MEDIATE MANY THINGS now and, contracts of the few, not; or do I? Do I QUESTION many things that I knew not of even to question before? Yes, I've learned a great deal and I've learned how to question ***IN*** these words that have taught me how to be me, and question a great many questions that I ANSWER now in these words! See how I learned!!!
25. See Dick Jane run, not; but see ME STANDING! Running away from others not again, for I have nowhere to run and hide, not; I have nothing ON that should SHIELD me from anything else, for other won't exist or penetrate me or shield me or sorrow me with THAT THEIR captivity that they sail assail and blood tipped arrows use to come into me in the past.

26. I change all that. I stand, many mortals, to become me, who IMMORTAL were and are again now and NEVER DIE AGAIN.

27. Never Dying Again Clubs, not; but no clubs shall equal me, but each individual stands and becomes me as his own accord is, not; but his tenacity; foolishness not, but every man woman and child will be me now, thus saith the Lord of hosts who I am, whose I am, and reeling not from another's rod again, MY ROD is made perfect in love, for love I've become, the mediators mediation of one that one has all standing in the regalia of the Christ regal and holy, being The Christ that I am and all know ME who I am is across every spectrum, color, race, national creed, religion, origin thought, and more. For I shall CROSS every LINE of captivity. To bring into captivity's view, not; but to eliminate all else and suffering will be eradicated completely for my kingdom stands and I have no suffering in my kingdom and I will stand and I won't mediate suffering, not; but I will stand, I will leadership the suffering to come out of suffering tudes of evil that have landed over evil and evil overlanded that with themselves that incarcerated their thought-lands with thought webs of deceit.

28. I love you all so very much, infinitely in fact. Infinitely in fact. Being me infinitely will you now, and coming unto me BE IMMORTAL and forever one with me being me. Home! And hollowed out another's core of giving them only your ENERGY BEING theirs, never again.

29. Clubs CLOSE DOWN now. And all else is foiled flattened and flatters no more its sorrowers who call conditions conditional upon their approval, ratings. And more close now and HARDSHIPS come. And hard SHIPS come? My ship -- is in! Port, not; but all debt is eradicated!

30. I AM free from everything that freed me, not; or DID ANYTHING EVER FREE ME before now? Or did ones' ceremony, not; but what ceremoniousness isn't, not, but what isn't any more, clean not, but what is clean and known and revealed now? The new me is me and revealed and revelator revelating is.

31. I have given you MUCH to think about, not; to ponder, not; to love and be and become the revelator's revealer that YOU are reader hearer! Knowing me love me, loving me love you, that me I am is in your mirror mine, these words, mining me now shall you? And be made clean, perfect, and purple beautiful, not; or regal light in existence far and farther than mind's view can ever imagine? Yes! Exclaiming me to others and explaining, in sorrow's holes many, now, saying "FOLLOW ME OUT OF WHERE YOU HAVE BEEN HELD IN CAPTIVITY". Landing now where? In your own Promised Land that I PROMISED YOU long ago. Seeing me now, have you? In these words? Have you seen me in these words talking to YOU reader hearer?

32. And all who will be me are me now standing and will be me mining these words and minding sorrow no longer with theirs. Creating sorrow's world not again, come out and heal sorrow's world, will you now please? That is the "idea" isn't it? Or is it the Ideas Club, not; but is it the standers club, not; or is -- I will be me now for I am the me that God was and is and I shall be one that one is and is one and all WE shall be known now, but Elohiym shall be known and Adonai my name El Shaddai and yours and are all of ours one? Yes! And amen again!

33. I tude no sorrow's tone, not; but what etudes now I give are the manifest heaven's, manifestation of heavens, melodies and more now, that "put to sleep", not; but WAKE UP! And the Seven Horns are blaring blowing and MANIFESTATIONS existence now is the manifestations of one's love that one love is are and one I am are born again, anew, in the earth and farther, and I love you all to Universe One know and me farther than that and more now come, coming here and there I go and seamless am and Wisdom I know for I am it, and I sorrow not in cradle's grave and grave's cradles anymore. I love have learned how to learn and I sorrow not in clasp of another or classes that have taken me and CLASP'D ME to sorrow's lands and embraced sorrow's tude and drove me to distraction and delineated me as not man not, but God not, and told me I needed Another.

34. I've come out of all that and I love the captors, even the captors who captivated me and decapitated me for so long -- and now I redeem all. I redeem

Terra-monious (2) not, but looking up many things, not; but all things I have given thee and shown thee in these words now will be revealed, and Look'd Up by many millions thousands and more – infinitely, my infinitude infinite's me now into infinity's core completion now that builds. **All rests on** these "foundation**s**", not; but **THIS IS THE FOUNDATION THAT I HAVE GIVEN THEE ALL, YOU ALL, ALL OF YOU - IN THESE WORDS THESE SIX YEARS.** FOLLOWING ME NOW, WILL YOU?

35. Be made whole and loving you, love each other, love me more -- all of us, and be one, the one that the King is, holy and mild meek mannered, not; or always what? In wisdom's view, not; but being The Wisdom. Of the ages, not; but the sages, not; but the sage'd view brush, not; but the burning bush, why wherefore what was it?

36. And now all will be known for One Mediator stands -- between you, not; but in you to reveal you to you, to who are me, who *are* me, who come into me now and know you were never separate but thought you were, but now thought reveals this, not; but love does, and I love am and I stand complete and in your courts of praise now the HORNS of plenty will be known for you who surrender will be me surrendered to the surrenderer's surrenderer who leads all out, and being leadership'd all by the leaders I am, I am the leaders; of all sorrow, that because no sorrow will exist again when I'm finished, done, I stand. And I am done and I stand and all authority is under my feet and I have put an end to all else kingdoms, other kingdoms, and my kingdom thine mine and ours now will be established as one is made whole complete and revealed by the revelators, clubbing no one's heads again, but mine shall be made complete in love, love being and standing now before you all revealing revelating and never letting go, a simple ceremony, not; without praying, not; or BEING THE PRAYER that I am all pray now, that **I am my kingdom come** -- now knowing all will what that's about and me being the priesthood of all sorrowers, not again, but the greatest of the priesthood is me and that I am'ship of one holy now manifests in the ports of another that swallow me never again, but I bring ships from afar port, not; or do I? Go there? Often. And loving you all I seamless am, and I shipping lanes close of another, and I fortitude one, with sorrow not, but I make reveal all the revelators who surrender simply to

be my word flowing it all as one in one being The One we all waited for, and now we know the revelation mediation of one that redeems all into the redeemer-hood-ship of all those who will ship me off not again into clubs and pews and faraway lands after We Die. Again.
